36. [Redacted] LIAISON I called Bob Andrews, Special Assistant to the General Counsel, DOD, with a response to his request for definitions of codeword in our letter to Senator Edward M. Kennedy (D., Mass.), Senate Human Resources Subcommittee on Health and Scientific Research, we we transmitted to DOD yesterday afternoon. My response was that the definitions could be found in both the Church Committee Report on drug testing and the Kennedy Committee Report on Biomedical and Behavioral Research, 1975. I gave Andrews page citations for each of the definitions and he was appreciative.

29. [REDACTED] LIAISON Talked with Elliot Maxwell, Senate Select Committee on Intelligence staff, in reference to my conversation with Bill Miller, Staff Director, Senate Select Committee on Intelligence, regarding the George White diaries. Maxwell said they are in the custody of Senator Edward M. Kennedy's (D., Mass.) Subcommittee on Health and Scientific Research, Senate Committee on Human Resources and that he probably would not be able to review them before the end of this week. He suggested that if the Agency was concerned about the contents of the diaries that we should ask Senator Kennedy's Subcommittee directly for access to them.
